

POSH – Parent Online Safety Framework

Device Safety

- Enable parental controls on phones, tablets, PCs, and consoles
- Restrict downloads and in-app purchases
- Review camera and microphone permissions

Platform Awareness

- Know which platforms your child uses
- Review privacy settings
- Limit messaging with strangers

Gaming Safety

- Check voice chat settings
- Review multiplayer exposure
- Limit friend lists to known people

Communication

- Tell your child they won't be punished for reporting problems
- Regularly ask about games, chats and friends
